

Instructions for Giving Gifts of Securities (Stocks Or Bonds)

Thank you for your interest in supporting Habitat for Humanity of Greater Los Angeles (HFH GLA) through a stock donation. Appreciated securities are perhaps the most cost-effective assets to use in making a gift. When you transfer ownership of long-term holdings to HFH GLA, you receive a charitable deduction for their full market value — and you incur no capital gains tax (subject to IRS deduction limits).

Because electronic transfers are made without identifying the donor, please alert us in advance about the stock and number of shares you plan to give. You can do so by contacting Jennifer Wise either at (310) 323-4663 ext. 124 or via e-mail at jwise@habitatla.org.

According to IRS regulations, the date of your gift corresponds to the date it arrives in our possession (for transfers from brokerage account to brokerage account).

The following information is necessary to transfer stock to our account:

- Please contact our broker, Geoff Delahanty at Thrivent Investment Management for assistance with making the stock transfer.
- If the transfer is coming from a Thrivent account, please complete the gift request form (to be provided by HFH GLA or Thrivent).
- When your stock gift is received, we will mail you a tax receipt stating the name of the stock, the number of shares and the fair market value on the date it was received by Habitat for Humanity of Greater Los Angeles.
