Our Mission:

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope.

How Does it Work?

Through volunteer labor and donations of money and materials, Habitat builds and rehabilitates simple, decent houses with the help of the homeowner (partner) families. Habitat houses are sold to partner families at no profit, financed with affordable, no-interest loans. The homeowners' monthly mortgage payments are used to build even more Habitat houses. Habitat for Humanity provides a hand-up, not a hand-out. In addition to a down payment and the monthly mortgage payments, partner families invest hundreds of hours of their own labor – called sweat equity – into building their Habitat house and the houses of others.

Release of Liability Related to COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread from person-to-person contact. Evidence has shown that COVID-19 can cause serious and potentially life-threatening illness and even death. As a result, federal, state, and local governments and federal and state health agencies have issued guidelines to help prevent exposure to COVID-19, including prohibiting the congregation of large groups of people. Habitat for Humanity of Los Angeles (the "Company") has put in place preventative measures to reduce the spread of COVID-19; however, Company cannot guarantee that you will not become infected with COVID-19. Accordingly, before anyone can participate in any Company event, activity, or meeting, he/she must read and sign the Acknowledgement of Risk, Assumption of Personal Responsibility, and Release of Liability related to COVID-19 (the "Release"), as set forth below.

By signing this Release, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 and that such exposure or infection may result in personal injury, illness, permanent disability, or death. I understand that the risk of becoming exposed to or infected by COVID-19 at Company offices may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Company staff, consultants, and other members.

Release & Waiver of Liability

I hereby release, covenant not to sue, discharge, and hold harmless Company and its officers, directors, employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs, or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of Company and its officers, directors, employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any Company event, activity, or meeting. I understand and agree that this Release will be governed by the laws of the State of California.

Finally, I agree and understand that I will not participate in any Company event, activity, or meeting if I have been exposed to someone infected with COVID-19 within the past two (2) weeks or if I exhibit any symptoms of COVID-19.
